These programs have special eligibility requirements!

****Students wishing to participate in CCP on college campuses should attend this meeting with a parent/guardian before applying for admission. CCP is available to all students in grades 7-12. A letter of intent to participate in CCP must be signed by a parent/guardian and returned to a school counselor by March 24, 2017 in order for students to take CCP classes at colleges during the 2017-2018 school year. This form will be available at the meeting.**

Any student who is even considering taking CCP courses next year should attend this meeting and return a signed Letter of Intent by March 24.

For more information, please see your school counselor!
